More info on our website: <https://f-i.co.nz/>

Tasks & responsibilities

- Manage social media (Facebook, Instagram, LinkedIn, TikTok).
- Create content for social media and website (news, video, articles, etc).
- Set up a regular newsletter and special events promotions.
- Design F-I resources (branding, brochures, templates, adverts, tradeshow, vehicles, etc).

Qualifications & experience

- Marketing training, skills and industry experience.
- Graphic Design training, skills and industry experience.
- Self-motivated, well-organised and work well in a team.
- An excellent work ethic, a passion for quality and a 'can do' attitude is essential.

Benefits

- Flexible work - 30 hours per week (negotiable).
- Competitive pay rates.
- Office-based role, with the possibility of some work from home.
- All staff benefit from Trade Discount schemes and Workplace Health Checks.

Come south to Invercargill

- Cheap living - no rush-hour commute - surprisingly good weather.
- It's all here - motorcycle mecca, transport world, sports facilities, cultural events, cafes.
- Plenty of outdoor action - cycle, kayak, dive, tramp, fish, hunt, surf.
- Lots to explore nearby in Fiordland, Central Otago, Catlins + Stewart Island.

To Apply:

Go to our Fi Innovations website and complete the online Application Form by Tuesday 5 October 2021

<https://f-i.co.nz/about-us#ju>

You will need to upload your CV, plus a Cover Letter (each less than 2MB file size)

About Us

[Watch our F-I video on YouTube](#)

Fi Innovations is a New Zealand leader in industrial 3D printing and resin-based processes. Based in Invercargill, we are a family-owned business which specialises in a wide range of services, including:

- Fibreglass + Composite manufacturing/repairs
- Expanding foam buoyancy
- Resin flooring + industrial coatings
- 3D Print advanced manufacturing + CAD design
- Polymer resin casting
- Shipwright boat repairs

Our culture

- Our Vision is “to be world class through innovative thinking and manufacturing excellence”.
- Our Core Values are Excellence, Innovation, Integrity, Passion, Respect, and Teamwork.

Our achievements

We have won numerous business awards, including the 2017 Supreme Southland Business award, the 2018 Export award, and the 2019 Safety award.
